Security Classification Review of Referenced Document

REF : Draft of [REDACTED] 25X1A9a Article, "Weapons Intelligence",
for Spring 1959 Issue of Studies in Intelligence

In order that the referenced document be classified SECRET,
it is suggested that page 14, para. 2, lines 10 thru 12 of this
document be changed as follows:

"enable us to learn a lot about the progress of the
various types of long-range ground-to-ground missiles
and Sputniks. We have also watched the development,
growth,"
